Agreement

This agreement is entered into on this 1st day of July, 2015, by and between the School Committee of the Dennis-Yarmouth Regional School District (hereinafter referred to as the “Committee”), and the Dennis-Yarmouth Regional Secretary and Assistants Association (hereinafter referred to as the “Association”) pursuant and subject to Chapter 150E of the General Laws of the Commonwealth of Massachusetts.

Preamble and Purpose

The purpose of this Agreement is to promote good relations between the Committee, the Association, and the employees in the bargaining unit represented by the Association, and to make clear the basic provisions upon which such relations depend. It is the intent of both the Committee and the Association to work together to provide and maintain mutually satisfactory terms and conditions of employment, and to prevent as well as adjust misunderstanding or grievances relating to employment.

Article I. - Recognition

For purposes of collective bargaining with respect to wages, hours and other conditions of employment and the negotiation of collective bargaining agreements, the Committee hereby recognizes the Association as the exclusive collective bargaining representative of all secretaries and education support professionals employed by the Dennis-Yarmouth Regional School District, but excluding the two Administrative Assistants to the Superintendent, and all managerial, confidential, casual and other employees.

Article II. - Association Rights

Section 1. Committee and Subcommittee Meetings. The Committee shall give a copy of the complete packet for each meeting of the Committee to the President of the Association.

Section 2. Association Meetings. The Association has the right to schedule meetings of the Association in school buildings before and after regular work hours. The Association also has the right to place Association and educational materials in employees’ mailboxes and on the Association bulletin board.

Section 3. Committee Information. The Committee shall make available to the Association, upon reasonable request, statistics and records relevant to contract negotiations that are necessary for the proper enforcement of the terms of this Agreement, if those materials are not privileged and the release or publication of them would not violate any person’s civil or constitutional rights.

Article III. - Management Rights

The Association agrees that, subject to the terms of this Agreement, the management of the School District's activities and the direction of the work force, including the establishment of reasonable working rules and reasonable work schedules, new job classifications, staffing patterns, job descriptions, job duties and functions, the right to hire, assign and transfer employees, to lay off employees because of lack of work or funds, to discipline or discharge employees for just cause, is vested exclusively with the School Committee when not in conflict with other provisions of this Agreement. The School Committee shall not exercise these rights arbitrarily, capriciously, or in bad faith.

Article IV. - Strikes and Lockouts

It is agreed by the parties that during the term of this Agreement or any renewal thereof, there will be no strikes, stoppages, lockouts, picketing, banners or advertisements concerning any matter in dispute between the Committee and the Association or the employees.

Article V. - Dues and Agency Service Fees

Section 1. Under authority of General Laws, Chapter 180, Section 17A, the Committee agrees that Association dues, determined in accordance with the Constitution and By-Laws of the Association shall be deducted biweekly.

A. As a condition of their continued employment, and in accordance with General Laws Chapter 150E, the Committee agrees to deduct biweekly from the pay of each employee in the bargaining unit who properly authorizes it and who is not a member of the Association in good standing after having been employed for thirty (30) days or more, an Agency Service Fee in an amount proportionately commensurate with the cost of collective bargaining and contract administration, but not to exceed ninety-five percent (95%) of the Association dues. This shall take effect thirty (30) days after the execution of this Agreement.

Section 2. The Association will certify to the Committee, in writing, the current rate of membership dues and Agency Service Fee. The Association shall give the Committee thirty (30) days written notice prior to the effective date of change of membership dues or Agency Service Fee.

Section 3. The Committee shall not be required to honor deductions for any changes in authorization that are delivered to it later than three (3) weeks prior to the payday when the deductions are to be made.

Section 4. All dues and Agency Service Fees collected pursuant to this Article shall be remitted to the Association Treasurer.

Section 5. The Association shall indemnify and save or hold the Committee harmless against all claims, demands, suits, or other forms of liability which may arise by reason of any action taken in making deductions and remitting same to the Association pursuant to this Article, or by other compliance with the provisions of this Article.

Section 6. Any employee may sign and deliver to the Committee an authorization on a form approved by the Committee for payroll deductions of Association membership dues. Such an authorization is required only during the first year of employment. An employee may withdraw any such authorization by giving the Committee at least 60 days notice in writing of the withdrawal and by filing a copy of the withdrawal with the Association.

Section 7. The District treasurer shall deduct biweekly from the salary of each employee authorizing the deduction the amount of the dues and shall transmit the sum so deducted to the Association within 14 days of the deduction, if the District treasurer is satisfied that the Association treasurer has given a bond to the Association, in a form approved by the Massachusetts Commissioner of Revenue, for the faithful performance of his duties, in a sum and with such surety or sureties as are satisfactory to the District treasurer.

Article VI. - Grievance Procedure

Section 1.

- A. Definition. A “grievance” is a dispute over the application or interpretation of any provision of this Agreement.
- B. General Provisions.
 - (1) All grievances must be submitted on a form acceptable to the Committee and the Association, and must state the Article of the Agreement, which the aggrieved party, claims has been violated.
 - (2) Failure at any step of this procedure to communicate the decision of a grievance to the aggrieved employee and to the President of the Association within the specified time limit shall permit the aggrieved party or parties to proceed to the next step.
 - (3) Failure at any step of this procedure to appeal the grievance to the next step within the specified time limit shall be deemed to be acceptance of the decision rendered at that step.
 - (4) Time limits may be extended only by mutual agreement in writing.
 - (5) All decisions made at Steps Two through Four of this procedure will be in writing, will state the reasons for the decision, and will be forwarded promptly to the employee or employees who initiated the grievance, and to the Association.

- (6) Nothing in this Article shall give the Association or its representative the right to pursue an individual grievance without the express written consent of the individual employee or employees, and such actions are expressly prohibited.
- (7) Where Steps one through three take place during working hours, the Association representative and the aggrieved party shall be allowed reasonable time off with pay to attend the meeting specified in said steps. Time off with pay shall not be allowed for School Committee hearings or arbitration proceedings. An employee may use a personal day for this purpose if he/she has one available and when such hearings take place during working hours. Each party shall bear the expense of its representative, participants, witnesses, and for the preparation and presentation of its own case.

Section 2. Procedure.

- A. *Step 1 (Supervisor).* The Association officer and/or representative, with the aggrieved employee, shall discuss the grievance with the supervisor, as defined here, within fourteen (14) calendar days after the employee knew or should have known of the occurrence or failure of occurrence of the incident upon which the grievance is based. For purposes of this step, the supervisor shall be the aggrieved employee's evaluating administrator (i.e., principal, assistant principal, or director). The Supervisor shall have ten (10) calendar days to respond to the grievance.
- B. *Step 2 (Superintendent).* If the grievance has not been resolved within ten (10) calendar days after its submission to the Supervisor, it shall be submitted to the Superintendent, in writing, within ten (10) calendar days after the response of the Supervisor was due. The Superintendent shall have ten (10) calendar days to respond to the grievance.
- C. *Step 3 (School Committee).* If the grievance has not been resolved by the Superintendent within ten (10) calendar days after its submission, it shall be submitted, in writing, to the School Committee for consideration. The School Committee will hear the grievance at its next regularly scheduled meeting and shall answer the grievance within ten (10) calendar days after it is heard. Grievance hearings will be in executive session unless there is mutual agreement to hold a public session.
- D. *Step 4 (Arbitration).* In the event that the grievance is not satisfactorily resolved by the School Committee, the Association may submit the grievance to arbitration within fourteen (14) calendar days following the School Committee's answer or date on which said answer is due.

Section 3. Arbitration. The arbitration shall be conducted by the American Arbitration Association under its existing rules of procedure. The decision of the arbitrator shall be final and binding upon the parties except that the arbitrator shall make no decision which alters, amends, adds to or detracts from this Agreement, and the arbitrator shall have no power to render a decision or substitute his/her judgment for that of the Committee in those areas reserved for the discretion of the Committee by this Agreement or where the Committee's decision is final and binding under this Agreement. Costs of arbitration proceedings, except for transcripts requested by a party, shall be shared equally by the School Committee and the Association. Arbitration hearings may be held in school district buildings.

Article VII. - Safety and Employee Protection

Section 1. The Committee shall continue to maintain such safe and sanitary conditions as are necessary to protect and preserve the health and welfare of its employees. Adequate first aid protection shall be made available to all employees during the school day (while the students are in school) on the same basis as provided to students. If the presence of fumes or excessive noise in the work place, as documented by an expert in the field (including but not limited to a county health agent or physician), adversely affects an employee's health or ability to perform the duties of his or her job, the Committee shall at the employee's request provide the employee with an alternate work site until the condition is rectified.

Section 2. The Director of Finance and Operations' health and safety committee will include three members of the bargaining unit, one of whom will be from the office of the Director of Finance and Operations.

Section 3. Employee Protection.

- A. If criminal or civil proceedings are brought against an employee alleging that the employee committed an assault in connection with his/her employment, the Committee may furnish legal counsel to defend the employee in those proceedings if the employee requests legal assistance. If the Committee does not provide legal counsel and the employee is exonerated, the Committee will reimburse the employee for reasonable counsel fees personally incurred by the employee in the proceedings.
- B. Notwithstanding any provision of Article XX, Section 5, to the contrary, whenever an employee is absent from work due to a personal injury caused by an assault occurring in the course of his/her employment, the employee will be reimbursed for any loss of pay not compensated for by Workers Compensation for the period of such absence without loss of sick leave as long as the assault was not provoked by the employee's negligence or other wrongful act or omission.
- C. Any employee who is injured in the course of his/her employment must report the injury or injuries to the building principal or his/her designee as soon as possible using the appropriate form where possible.
- D. The Committee will reimburse an employee for the reasonable value of clothing or other personal property damaged or destroyed as the result of an assault against the employee that occurs in the course of his/her employment as long as the assault was not provoked by the employee's negligence or other wrongful act or omission. Grievances regarding the application or interpretation of this paragraph may be processed through Step 3 of the grievance procedure but are not subject to arbitration.

Article VIII. - Equal Opportunity/Non-Discrimination

Section 1. Non-Discrimination. Neither the Association nor the School Committee shall discriminate against any employee on the basis of race, creed, color, religion, sex, handicap, national origin, marital status, age, sexual preference, membership or non membership in the Association.

Section 2. Civil Rights. The personal and private life of an employee is not within appropriate concern of the Committee except as it may interfere with the employee's responsibility to and relationships with students and the school system. Employees are entitled to the full rights and privileges of citizenship, and no religious or political activities of any employee or lack of such activities is ground for any discipline or discrimination with respect to the employment of the employee, if those activities do not take place during association with students in a professional capacity or do not substantially interfere with the employee's ability to perform the duties of his or her employment.

Article IX. - Posting of Association Notices

The Association will be provided bulletin board space in each building where employees work for the purpose of posting notices of Association meetings and other Association activities.

Article X. - Hours of Work and Work Year

Section 1. Definitions.

A. *Full Time/Year Round.* In order to be eligible for full time/year round benefits; an employee must be appointed to a position that requires a 260-day work year, a minimum four (4) hour workday, and work twenty (20) or more hours per week.

Full Time/School Year. In order to be eligible for full time/school year benefits; an employee must be appointed to a position, which requires a minimum 180-day work year, a minimum four (4) hour workday, and work twenty (20) or more hours per week.

Full time employees shall be assigned to their hours of work and work year by the end of June wherever possible. Full time employees shall be given one (1) week's notice of any permanent change in their hours of work.

B. *Part-Time/Year Round.* In order to be eligible for part time/year round benefits, an employee must be appointed to a position that requires a 260-day work year, less than four (4) hour workday, and less than twenty (20) hours per week. Benefits will be prorated based upon the number of daily hours worked in the current year.

Part-Time/School Year. In order to be eligible for part time/school year benefits; an employee must be appointed to a position that requires a minimum 180-day work year, less than four (4) hour workday, and less than twenty (20) hours per week.

- C. Employees serving in two or more positions within the bargaining unit may use the total number of budgeted hours for all positions within the bargaining unit to determine eligibility for contract benefits. To determine eligibility for group insurance (such as health, life, and dental insurance), the total number of hours for all positions within the district will be used.
- D. *Permanent Substitute:* A permanent substitute is a person who would be a temporary employee except that his or her initial period of employment is more than six but not more than 12 months. A permanent substitute employee is subject to all provisions of this agreement except that:
- (a) The employment of a permanent substitute employee terminates at the expiration of the task, project or grant or upon the return to work of the employee whose position he or she is filling (or if he or she was converted from temporary employee status, at such time as the Committee may designate at the time of conversion);
 - (b) The termination of employment of a permanent substitute employee is not subject to the grievance and arbitration provisions of this agreement; and
 - (c) Should a permanent substitute position be converted to a permanent position, then the provisions in Articles XV and XVII will be followed.
- E. *Temporary:* A temporary employee is a person hired (i) to perform specific tasks of a temporary nature, or (ii) to staff specific projects or grants of a temporary nature, or (iii) to replace an employee who is on a leave of absence, or (iv) to fill a vacant bargaining unit position for which an active permanent employee search is underway. Provided that:
- (a) Temporary employees are subject to Articles VI and XIX.
 - (b) A temporary employee may be hired for up to six months; at the end of six months, however, the Committee may convert a temporary employee to a permanent substitute employee. If the temporary employee position is converted to a permanent position, then the provisions of Articles XV and XVII will be followed.
- F. *Probationary:* The District retains the exclusive right to non-renew a bargaining unit member at the conclusion of each of the member's first two years of employment with the District (i.e. on or before June 30th of each year) without recourse. If the Superintendent decides not to renew a member's contract prior to the conclusion of one of her/his first two years of employment, the Superintendent shall provide the member with a least sixty (60) calendar days' notice prior to June 30th. The provisions of Article VI shall not apply to non-renewals for the probationary time period.

Section 2. The Committee also reserves the right to hire students to perform tasks that would otherwise be performed by bargaining unit personnel, provided that such students be paid no more than the lowest hourly rate provided for in the Appendix "Hourly Rates." During the school year, the students will not exceed a maximum aggregate of 30 hours/week. During the summer, the students will not exceed a maximum aggregate of more than 120 hours/week.

Article XI. - Work Schedules

Section 1. Work Year.

- A. *Reappointment:* The Superintendent will endeavor to notify employees in writing by the last day of school as to reappointment or non-reappointment, providing there has been no deficiency in the previous evaluation. Such notice shall not preclude subsequent layoffs due to decreased student enrollment and budgetary restrictions. In addition, all employees will be notified as to the date on which their work year shall begin.
- B. *Hourly Rates:* All non-certified employees shall be paid on an hourly basis for all hours worked. Hours assigned beyond the regular schedule shall be paid on a straight time basis and, in the event more than forty (40) hours are worked in any one week, such hours in excess of forty (40) shall be compensated on a time and one-half basis.
- C. The Committee reserves the right to authorize the use of compensatory time in lieu of overtime pay, either on a district-wide or individual building basis. If the Committee authorizes the use of compensatory time, it will comply with the requirements of the Fair Labor Standards Act.

Section 2. Work Week.

- A. Whenever possible, the normal work week for all non-certified employees shall consist of five (5) consecutive days of their regularly scheduled hours, Monday through Friday, followed by two (2) consecutive days off, except for agreed employees who shall work their necessary schedules which shall include any five (5) consecutive days. The employee's supervisor establishes the work schedule for each employee.
- B. *Call-In Pay.* Employees who are called in outside of their regularly scheduled hours/shift shall be guaranteed a minimum of three (3) hours pay at the applicable rate as defined in Article XXVIII.
- C. *Delayed Opening/Early Dismissal.* In the event of a delayed opening or early closing of school due to weather or other emergency, employees will be paid for a full work day.
- D. *Professional Development/Training.* Employees may be required to attend relevant training seminars outside of their regular work hours. Employees will be compensated for all training time at their regular rate of pay. Whenever possible, employees will receive a minimum of five (5) days notice of required training outside regular work hours.

Section 3. Payroll.

- A. *Payroll Week:* The payroll week for all non-certified employees shall consist of seven (7) consecutive days of twenty-four (24) hours each, commencing at 12:01 a.m., Monday.
- B. *Payroll Day:* The payroll day for all non-certified employees shall consist of twenty-four (24) consecutive hours commencing at the start of the employee's regularly scheduled shift.

- C. *Payroll Period:* Employees shall be paid biweekly for the two (2) week period ending the Sunday before checks are issued. While paydays technically fall on a Friday, the District plans to continue the practice of making checks available on Thursdays. If there is a holiday during the week when payroll is processed, or if school is cancelled on any day during the week when payroll is processed, checks will be available on Fridays.

Article XII. - Group Insurance

Section 1. All employees working twenty (20) hours or more a week shall be eligible for Health, Dental, Vision, and Accident and Life Insurance benefits as provided by the Committee.

Section 2. The District contribution to the health and accident plans shall be sixty percent (60%) of the total cost.

Section 3. The Committee will continue to offer the deferred compensation plan it established in Fiscal Year 1992.

Section 4. The Committee will continue to offer the contributory benefit plan it established in Fiscal Year 1992 pursuant to Section 125 of the Internal Revenue Code providing for pre-tax payment of employee contributions for group health coverage.

Section 5. The dental program deductible will be \$50/\$100.

Section 6. Upon retirement from the Dennis-Yarmouth Regional School District, employees may, at their option, be included in the Health and Accident Plan of the District. Effective July 1, 1990, the District will contribute sixty percent (60%) of the total cost.

Section 7. The Association agrees that effective February 1, 2012 the following plans will replace the current health insurance offerings:

1. Network Blue EPO
2. Blue Care Elect Preferred PPO
3. HPHC EPO
4. HPHC PPO

A. Health Reimbursement Accounts (HRA) will be established for each bargaining unit member taking health insurance through the District, with members taking the individual plan receiving \$400.00/year and members taking the family plan receiving \$1,000.00/year. The District shall fund the full amount of HRAs for bargaining unit members who take health insurance through the District. A reimbursement schedule is attached hereto as a reference.

1. Reimbursable co-pay amounts shall be provided for the three years of this agreement at the FY11 amount of \$10.00.
2. Physical therapy, chiropractic care and any other office visits deemed necessary by the member's primary care physician or specialist shall be reimbursable each year under the HRA.

- B. The District shall fund the emergency fund in the amount of three thousand six hundred dollars (\$3,600.00):

Bargaining unit members who are enrolled in one of the School District's health insurance offerings and who exceed the annual HRA limits of \$400.00 per individual and \$1,000.00 per family (per fiscal year) may submit receipts for extraordinary medical expenses to the School District's third-party administrator Cafeteria Plan Advisors (CPA) for reimbursement from the emergency fund.

Reimbursements from the emergency fund will be calculated based on an equitable distribution of funds after all eligible requests have been submitted, that is, the total dollar amount available in a given year shall be divided by the total number of reimbursement requests submitted. The deadline for submitting requests to CPA for reimbursement from the emergency fund is July 30 annually.

- C. Effective February 1, 2012, the District will implement flexible spending accounts. Said terms shall include a pre-tax maximum contribution by bargaining unit members of fifteen hundred dollars (\$1,500.00) per fiscal year. The District shall pay all administrative fees associated with the flexible spending accounts. In the event that bargaining unit members do not spend the entire amount that they have designated for a particular contract year, they shall be able to roll over any unspent funds.

- E. The Committee agrees to offer AFLAC insurance on the terms set forth in the available literature.

Article XIII. - Evaluation Procedure

Section 1. Staff evaluation is a cooperative venture to determine areas of strength to build upon and areas of weakness to be eliminated or improved.

Section 2. All non-certified employees will be formally evaluated at least once annually in accordance with the form and procedures established by the Committee.

Section 3. All evaluations will be done with the full knowledge of the employee(s). The Committee reserves the right to conduct periodic evaluations of employees covered by this Agreement, at any time.

Section 4. Employees will receive a copy of their annual evaluations by June 15th and shall discuss the report with the evaluator(s). The employee shall acknowledge he/she has reviewed the evaluation report by affixing his/her signature to the copy to be filed. Such signature does not indicate agreement or disagreement with the content of the report. The employee may submit his/her written comments in reference to the report, which comments shall be attached to the file copy of the report.

- A. The evaluator(s) shall point out to the employee any deficiencies in performance, and instruct the employee as to any necessary improvements. If the evaluator determines that an employee has deficiencies in performance, the Committee may request that the employee take appropriate actions to improve such deficiencies. Said appropriate action shall be taken during nonworking

hours without compensation. If any area of performance needs improvement or is unacceptable, then the employer will make specific suggestions for improvement. The evaluation will be discussed with the employee and a plan of action developed to achieve these objectives. Within three work months, the employee will be evaluated again with respect to these particular areas of employment.

- B. In the event, the employee has not improved within six (6) months of the date of evaluation, the employee will be subject to appropriate disciplinary action including discharge. Any disciplinary action taken pursuant to this shall be subject to the grievance and arbitration provisions of the Agreement.
- C. The evaluative judgment of the evaluator(s) and/or the substance of the evaluation shall not be subject to the arbitration provision of this Agreement. Any dispute as to whether the mechanics of the evaluation procedure have been fairly followed shall be subject to grievance and arbitration.

Section 5. The parties affirm their desire that all employees of the District - administrators, professional employees, and others included - treat each other with dignity and mutual respect. (This section is not subject to arbitration.

Section 6. At such time as the evaluation committee revises the parties' evaluation process, insert the agreed-upon language into this article.

Article XIV. - Complaints About Employees

Any complaint that the administration determines to warrant adverse employment action will be called promptly to the attention of the employee.

Article XV. - Discipline

Section 1. No employee will be disciplined, reprimanded, reduced in compensation, or terminated without just cause. Notwithstanding any contrary provisions of this Agreement, any matter concerning the discipline or discharge of a probationary employee shall not be subject to the grievance and arbitration provisions of this Article. Employees terminated for other than disciplinary reasons will be given thirty (30) days notice of termination. Any employee who is discharged and is entitled to a hearing before the county retirement board under General Laws Chapter 32, Section 16(2), must elect between the method of review provided under that law and the method provided by the grievance procedure of this Agreement. The Committee may refuse to process a grievance challenging an employee's discharge unless the employee agrees in writing to waive his/her right to a hearing before the retirement board.

- A. Unsatisfactory job performance, excessive absenteeism, insubordination, and violating clearly established work rules are examples of conduct that would constitute just cause for disciplinary action. A persistent or chronic pattern of unsatisfactory job performance, excessive absenteeism, insubordination, and violating clearly established work rules are examples of conduct which would constitute just cause for dismissal. (The foregoing examples are meant to be illustrative

only, not exhaustive.) This paragraph does not apply to—and just cause is not required for—a decision to reduce the number of employees because of declining enrollment or other budgetary reasons or pursuant to reorganizations for academic or budgetary reasons.

- B. In reviewing a decision to discipline or discharge an employee, an arbitrator must uphold the decision unless the arbitrator determines that (a) the discipline or discharge was the result of patronage or unlawful discrimination; (b) the employee did not engage in the conduct that formed the basis of the decision to discipline or discharge the employee; (c) the District’s employee performance standards were unreasonable and the employee would have met the reasonable standard closest to the unreasonable standard; (d) the determination that the employee failed to meet the District’s employee performance standards was clearly erroneous; or (e) the penalty imposed was clearly disproportionate to the conduct that formed the basis of the decision to discipline or discharge the employee, in which case the arbitrator may reduce the penalty so that it is not clearly disproportionate.
- C. In assessing the reasonableness of the District’s employee performance standards, an arbitrator must give weight to the purpose of encouraging the development and maintenance of an efficient school system and may not find a standard unreasonable simply because it places higher demands on employees than are typically imposed in other school districts.
- D. A decision to discipline or discharge an employee that would otherwise be upheld may not be overturned because the employee has a long history of satisfactory service. An arbitrator may take into account the employee’s entire performance during the 12 months prior to the discipline or discharge in considering whether the employee failed to satisfy the district’s employee performance standards, but that performance may not constitute the sole reason for overturning a decision to discipline or discharge an employee.
- E. Upon a finding that the discipline or discharge of an employee was improper under the standards set forth in this section, the arbitrator may award back pay or reinstatement, or both, but no other relief. Reinstatement may be awarded only if the arbitrator determines that reinstatement would be in the best interests of the District and its students.

Article XVI. - Seniority

Section 1. An employee’s seniority shall be equal to his/her length of continuous service measured from the date of hire to a bargaining unit position. Seniority rights will not begin until the employee has completed his/her probationary period but will be effective back to date of initial hire. “Date of hire” means the date an employee actually begins service (other than substitute or temporary service) in a bargaining unit position. The waiting period to access criminal-offender record information (CORI) on an employee is not considered substitute or temporary service.

Section 2. The following will not break continuous service for purposes of seniority, but will not count as time served toward seniority:

- Leaves without pay
- Voluntarily leaving a bargaining unit position to take a position in another bargaining unit in the District if within 365 days of leaving the employee returns to a position in this bargaining unit
- Voluntarily terminating employment with the District if within 30 days of termination the employee is appointed to a position in this bargaining unit

Section 3. Substitute or temporary employment shall not count toward seniority.

Section 4. A single seniority list shall be established and maintained for the bargaining unit.

Section 5. The Committee recognizes the principle of seniority for employees of this Agreement for the following purposes:

- A. Reductions in force, including layoff and recall.
- B. Vacation time requests.

Article XVII. - Reduction in Force and Recall

Section 1.

- A. If the Committee decides to reduce the number of employees through a general layoff or through the elimination or consolidation of positions or a decrease in the number of hours of a position, it shall, following the procedures set forth in Paragraph C, lay off employees on the basis of seniority (i.e., the most junior first, the most senior last), unless that procedure conflicts with the best interest of the school system. In arbitration of any grievance arising out of the Committee's determination that a layoff based on seniority would conflict with the best interest of the school system, the Committee bears the burden of proving, by a preponderance of the evidence, that its determination was not arbitrary, capricious, or unreasonable.
- B. If a reduction in force is made and more than one employee in the affected job classification has the earliest date of hire, the employee who has the earliest date of written hiring recommendation will be deemed the most senior. If more than one employee has the earliest date of written hiring recommendation, the employee who has the most unused sick leave as of the effective date of the reduction in force will be deemed the most senior.
- C. An employee whose position has been eliminated, or who has been displaced, as the result of a reduction in force may displace another employee with less seniority subject to the following rules:

1. An affected employee may only displace an employee within the same classification group (i.e. – Secretaries may only displace Secretaries and ESPs may only displace ESPs).
2. An affected employee may only displace an employee within the same or lower “level,” as set forth in Section 3 below.
3. An affected employee may only displace another employee whose average weekly hours fall into the same range as determined by the following three hourly ranges:
 - a. 3 hours or less
 - b. More than 3 hours but less than 6 hours
 - c. 6 hours or more

Where an employee holds more than one position, relevant consideration shall be the hours worked in the position being eliminated.

4. An affected employee may only displace another employee where the employee is qualified to perform the duties of the other position and satisfactorily completes a 30-day probationary period in the other position. The determination whether an employee whose position has been eliminated or who has been displaced as a result of a reduction in force has satisfactorily completed a 30-day probationary period is not subject to arbitration.

Section 2. Any decision by the Committee to reduce the number of employees employed by the Committee through a general layoff; through a reduction in the number of employees within a job classification, work site, field, or program; or through the elimination or consolidation of positions is final and binding and not subject to the grievance and arbitration provisions of this agreement.

Section 5. Employees laid off as the result of a reduction in force or the elimination of a position who completed at least three years of service with the school district before they were laid off shall be considered for recall in accordance with the following procedure:

- A. A laid-off employee who files a written request with the Superintendent will be notified of posted vacancies in the bargaining unit and may apply for a vacant position in the same manner as current employees (i.e., in writing, within the posting period). The laid-off employee is responsible for providing a current address at all times.

- B. If a vacancy occurs in a job classification from which an employee on recall has been laid off, that employee will be offered a position within the job classification. The filling of any vacancy is subject to the provisions of Article XVII of this Agreement, whether or not a laid-off employee is an applicant to fill the vacancy.
- C. If a laid-off employee refuses an offer of a job comparable to the one he/she held immediately before he/she was laid off, the Committee may remove the laid-off employee's name from the recall list. The Committee is not obligated to keep a job open for more than one week after the offer has been made.
- D. The rights of a laid-off employee under this Section expire one year after the laid-off employee's last day of work unless the laid-off employee files a written request within that one-year period with the Superintendent to extend his/her recall period for an additional year, in which case the laid-off employee's rights expire two years after the laid-off employee's last day of work.
- E. Time spent on the recall list after an employee has been laid off is excluded in computing the employee's seniority.

Article XVIII. - Transfers/Promotions and Job Posting/Bidding

Section 1. When the Superintendent decides to fill a permanent vacancy occurring in a position covered by this Agreement, the vacancy shall be posted in a conspicuous place in each building listing the hourly rate of pay, hours of work, job classification, location (building) and qualifications for the position. The qualifications for the position shall be determined solely by the Superintendent. The notice of vacancy shall remain posted for seven (7) calendar days and members of the bargaining unit, wishing to be considered for the position, shall apply in writing and within the posting period to the Superintendent. Association representatives will post notices in their respective building.

Vacancies from August 1 – 31 may be filled without posting. The responsibility shall rest with the individual bargaining unit members to indicate an interest in any possible vacancy, which may occur during the summer, and bargaining unit members desiring to be notified of vacancies occurring during the summer shall leave a self-addressed stamped envelope at the Administration Office.

Section 2. Members of the bargaining unit applying for a vacancy shall be notified in writing within fourteen (14) days after the application deadline whether they will be granted an interview for the position. Within fourteen (14) days after the final interview, but no more than 45 days after the application deadline, bargaining unit applicants will be notified in writing whether or not they have been given the position.

Section 3. Promotions and transfers shall be based solely upon the employer's judgment as to what will best serve the interests of the District. The employer will give due consideration to the training, skill, and other relevant qualities of the applicants. No formal testing will be required of applicants who are current employees, though current employees may be required to demonstrate their qualifications for positions to which they apply. For purposes of initial placement on the salary schedule, credit for previous comparable experience may be given at the discretion of the Committee/Superintendent, provided further that the highest initial step that a person may initially be placed is the first four steps for all positions except the following : Secretary III/Administration, Secretary III/Administration - Payroll Clerk, Secretary IV/Administration - Benefits Management, Secretary IV/Administration - Assistant Treasurer, and Secretary IV/Administration - Bookkeeper. With regard to these five named positions only, the Committee/Superintendent may initially place new hires on any of the steps tied to that position.

Section 4. Assignment to a building is not binding. The Superintendent may transfer employees if, in his or her discretion, the workload warrants such transfer either on a temporary or permanent basis.

Section 5. A regular employee who is promoted to a higher classification shall be placed on the salary schedule of the grade of that position at the hourly rate that represents the next higher monetary step plus one step.

Section 6. Transfer to a Lower Classification.

A. If an employee voluntarily applies for and is awarded a position in a lower classification, or if an employee's position is eliminated, or an employee is displaced due to a reduction in force and the employee obtains a position in a lower classification through exercising his/her seniority rights, he/she will be paid at the appropriate grade and classification of the lower position. The step assignment will be the same step as the previous position. (For example, a Secretary II who is on Step 10 and becomes a Secretary I as the result of a voluntary transfer or a reduction in force will be paid at Step 10 of the pay level for a Secretary I.)

This does not apply to multiple positions.

B. If an employee is involuntarily transferred to a position in a lower classification, he/she will retain the same rate of pay as the former position unless the involuntary transfer is made because of the employee's unsatisfactory job performance.

Section 7. Multiple Positions.

A. An employee appointed to multiple positions and a school-year employee appointed to a school vacation or summer position different from his or her school-year position will have a separate level and step for each position beginning at Step 1 for initial service in any position. For school year bargaining unit members with experience who apply for school vacation or summer positions, the superintendent, at his/her discretion, may place the bargaining unit member appointed to the school vacation or summer position on any of the first four steps of the wage schedule.

- B. A regular employee who applies for and is appointed to a different position during a school vacation or during the summer and is initially placed on Step 1 of the salary level for the school vacation or summer position *and* who works for the entire term of that school vacation or summer position will receive a step increase if the employee holds the same school year or summer position in succeeding years.

Section 8. Postings.

- A. The Association President will be notified of all notices of vacancy, promotions, and changes in classifications, and will receive copies of all job postings.
- B. All notices of school year position vacancies occurring during non-school time shall be posted in the administration building and on the district website.
- C. The district shall post all vacancies in accordance with Section 1 of this Article.

Section 9. When vacancies occur in seasonal or temporary positions, these positions shall be posted in accordance with Section 1 above, and all members of this unit who are qualified shall be given preference.

Section 10. It is recognized that the final decision as to the filling of vacancies and promotions must rest with the Superintendent and that the Superintendent's decision is not subject to the arbitration provisions of this Agreement.

Section 11. The Superintendent commits to provide transitional training to employees filling bargaining unit vacancies to the extent possible. The Superintendent and the Association commit to create a list of employees available to provide mentoring to employees filling vacancies (identifying each employee's skills).

Section 12. For purposes of initial placement on the salary schedule, credit for previous comparable experience may be given at the discretion of the Superintendent, provided further that the highest initial step that a person may initially be placed is the first four steps for all positions except the following: Secretary III/Administration, Secretary III/Administration – Payroll Clerk, Secretary IV/Administration - Benefits Management, Secretary IV/Administration/Assistant Treasurer, and Secretary IV/Administration - Bookkeeper. With regard to these five named positions only, the Superintendent may initially place new hires on any of any of the steps tied to that position.

Article XX. - Sick Leave

Section 1. All employees working a five-day work week shall earn sick leave at the rate of one and one quarter (1¼) days per month for each month of actual service, to be added to any sick leave accumulated under the previous Agreement. If an employee works less than five days per week then the rate of their sick leave will be prorated by the number of days worked per week. An employee will not accrue sick leave while he/she has been out of work on a leave of absence without pay. Sick leave may be accumulated to a maximum of 204 days for school-year employees and 224 days for year-round employees. When an employee reaches the maximum accumulation under this Section, he/she will no longer accumulate sick leave; however any sick leave which the employee would have otherwise accumulated will be added to the Sick Leave Bank. Earned sick leave will be retained if an employee is laid off and rehired within one year.

ESPII/CABAs are required to work the summer program. During the summer session they will accrue sick time at the same rate as during the school year and will be able to use other leaves of absence as may be necessary (i.e., personal, bereavement, jury duty, etc.).

Section 2. Accumulated sick leave with pay may be used for the following purposes:

- A. If the employee has accumulated sick leave, the School District may pay him/her (out of accumulated sick leave) the difference between his/her regular salary, and the Workers Compensation received. The difference between the employee's regular salary and Workers Compensation will be deducted from his/her accumulated sick leave.
- B. If the employee has overtime or vacation credit, the School District may pay his/her salary in full (without deduction for workers compensation) until his/her overtime or vacation credit has been used.

Section 6. A day's sick leave pay shall be based on the employee's normal workday. Normal workday is understood to be a workday when school is in session.

Section 7. The use of sick leave for purposes other than those set out in Section Two (2) above shall be unauthorized and shall constitute a breach of contract and the School Committee shall be entitled to initiate dismissal proceedings or take any other appropriate action. This provision shall not be applied in an inconsistent or discriminatory manner.

Article XXI. - Sick Leave Buy Back

Section 1. Upon death, retirement, layoff, or separation, all employees covered by this Agreement who have served ten (10) years of continuous service in the Dennis, Yarmouth, or Dennis-Yarmouth Regional School District shall receive pay for all unused, accumulated sick leave at the rate of 25% of accumulated sick days x hours worked in a day x rate of pay.

Section 2. The initial grant of sick leave by the sick leave bank committee to an eligible employee shall not exceed thirty (30) days.

Section 3. Upon completion of the thirty (30) day period, the period of entitlement may be extended by the sick leave bank committee for an additional thirty (30) day period upon demonstration of need by the applicant.

Section 4. The sick leave bank shall be administered by a sick leave bank committee consisting of eight (8) members. Four (4) members shall be designated by the Committee to serve at its discretion, and four (4) members shall be designated by the Association in consultation with the Committee. The sick leave bank committee shall determine the eligibility for the use of the bank and the amount of leave to be granted. In the event of a tie vote by the sick leave bank committee, the parties agree to grant the request. Decisions of the sick leave bank committee are final and binding and not subject to appeal or the grievance-arbitration procedure. The following criteria shall be used by the sick leave bank committee in administering the bank and in determining eligibility and amount of leave: (1) adequate medical evidence of serious illness; (2) prior utilization of all eligible sick leave; and (3) length of service within the District.

Section 5. In order to establish the bank, all eligible employees were assessed two (2) sick leave days from their existing accumulated sick leave. Upon initial regular employment, all employees new to the district will have two (2) days deducted from their annual sick leave allowance. Employees who are rehired within one year of the date of a layoff will not be subject to the two-day deduction for the sick leave bank.

Section 6. When unused sick leave bank days reach one-third (1/3) of the original contribution (made effective July 1, 1981), all employees covered by this Agreement will be assessed an additional day which will be deducted from their annual sick leave allowance provided further however, all employees shall be levied one (1) additional day effective July 1, 1988.

Section 7. Employees shall be required to repay all time granted by the Sick Leave Bank Committee at the rate of five days per year, beginning on the July 1 next following the fiscal year in which days are granted from the sick bank. However, any school year or year round employee who has donated days to the sick bank due to reaching the maximum accumulation shall not be required to repay donated time granted by the Sick Leave Bank. All outstanding debts will be repaid and deducted from sick leave accumulation before any sick leave buy-back payment is made to the employee. Employees who have donated days to the Sick Leave Bank beyond their accumulated total will receive an annual accounting.

- A. An employee who becomes pregnant will notify the Superintendent, in writing, as soon as possible, but in no event less than four (4) weeks before the commencement of such leave, stating the anticipated dates of departure and return. Such notification shall provide the administration with as much opportunity as possible to secure a replacement.

Section 8. Labor-Management Committee. The parties agree to establish a Labor-Management Committee comprised of representatives of each party to discuss issues of mutual concern affecting labor-management relations. The Labor-Management Committee will meet at least twice a year and may meet more often by mutual agreement. No grievances will be discussed at meetings of the Labor-Management Committee, though topics that could lead to grievances may be discussed.

No collective bargaining will take place at meetings of the Labor-Management Committee, and recommendations growing out of meetings of the Labor-Management Committee are not binding on the parties.

Article XXIX. - Wages

Section 1. In order to be eligible for a step increase, non-certified employees must be employed in a regular permanent position for at least six (6) months prior to July 1 of each year. Employees hired after January 1 of each year shall not be eligible for a step increase until July 1 of the following year. Step increases may be withheld for just cause.

- A. Unsatisfactory job performance, excessive absenteeism, insubordination, and violating clearly established work rules are examples of conduct that would constitute just cause for withholding a step increase. (The foregoing examples are meant to be illustrative only, not exhaustive.)
- B. In reviewing a decision to withholding a step increase, an arbitrator must uphold the decision unless the arbitrator determines that (a) the decision to withhold the step increase was the result of patronage or unlawful discrimination; (b) the employee did not engage in the conduct that formed the basis of the decision to withhold the step increase; (c) the District's employee performance standards were unreasonable and the employee would have met the reasonable standard closest to the unreasonable standard; (d) the determination that the employee failed to meet the District's

employee performance standards was clearly erroneous; or (e) withholding a step increase was clearly disproportionate to the conduct that formed the basis of the decision to withhold the step increase, in which case the arbitrator may reduce the penalty so that it is not clearly disproportionate.

- C. In assessing the reasonableness of the District's employee performance standards, an arbitrator must give weight to the purpose of encouraging the development and maintenance of an efficient school system and may not find a standard unreasonable simply because it places higher demands on employees that are typically imposed in other school districts.
- D. A decision to withhold a step increase that would otherwise be upheld may not be overturned because the employee has a long history of satisfactory service. An arbitrator may take into account the employee's entire performance during the 12 months prior to the discipline or discharge in considering whether the employee failed to satisfy the district's employee performance standards, but that performance may not constitute the sole reason for overturning a decision to withhold a step increase.

Section 2. Step-increases for eligible employees become effective July 1 of each year and are paid the first regular payroll period in July.

Section 3. Full-time employees shall be provided a minimum of one-half hour duty free unpaid lunch period. Employees are required to pay for meals provided by school cafeterias.

Section 4. If an employee is required to perform duties outside the normal parameters of his/her job description or workday, the employee shall be paid for those duties at his/her regular rate of pay, except that an employee shall be paid time and one-half for all time worked in excess of forty (40) hours in one work week.

Section 5. Employees, who remain in the same position from one year to the next, may not move more than one step up the salary schedule in any given fiscal year.

Section 6. Any Assistant, who is assigned by the Administration to cover an absent teacher's class as a substitute teacher, shall receive a \$10.00 stipend for each full day he or she so serves. Any Assistant who is assigned by the Administration to cover an absent teacher's class due to absences, meetings, or other circumstances as a substitute teacher, shall receive a five dollar (\$5.00) stipend for each half day he or she so serves.

Section 7. Employees shall be required to use direct deposit with email receipt to receive their paycheck which shall take effect upon ratification of this Agreement. In extenuating circumstances, the Superintendent may waive this requirement based on an employee's written request.

Full-time, year-round Level II secretaries shall have their regular school hours apply to the entire year. These employees will be notified by July 1st of their hours for the upcoming fiscal year.

****HOURLY RATE SCHEDULES - see Appendices****

Article XXX. - Travel Allowance

Travel allowance equivalent to those paid to other employees of the District will be paid to employees covered by this Agreement when they are directed by their immediate supervisor to use their automobiles in the course of their employment.

Article XXXI. - Child or Dependent Care Payments

Section 1. At the request of any employee, the Committee shall reduce the employee's salary by a specified amount and shall pay that amount to a provider of child or dependent care designated by the employee. Such a request must be made on a form approved by the Committee.

Section 2. The Committee shall pay the child or dependent care provider designated by the employee within thirty (30) days following its receipt of a provider's invoice. The Committee is not required to pay child or dependent care providers more often than biweekly.

Section 3. Payments made by the Committee under this do not imply an endorsement of the services of the child or dependent care providers to whom the payments are made. The Committee is not responsible for the quality of those services or for verifying that they are actually performed.

Section 4. The parties intend payments made by the Committee under this to qualify as tax-free fringe benefit under the Internal Revenue Code, but the Committee does not guarantee that they will be tax free.

Section 5. Employees making use of this Article shall be limited to no more than three (3) changes in providers in any one (1) year.

Article XXXII. - Effective Date and Termination

Section 1. This agreement shall be effective as of July 1, 2015 and remain in full force and effect until midnight, June 30, 2018.

Section 2. This Agreement shall continue thereafter from year to year unless terminated by notice, in writing, given by either party to the other no later than November 1, 2017.

Section 3. This Agreement may be amended at any time by mutual agreement of the parties expressed, in writing, and annexed hereto.

In witness whereof, the parties to this contract have caused these presents to be executed by their agents hereunto duly authorized, and their seals to be affixed hereto, as of the date above written.
