June President's message

We have made it! The last month of the school year!

At the May general membership meeting, the DYRSAA executive board was re-elected for another two-year term. Thank you to all who voted! The E-board will continue to work throughout the summer.

If you're interested in attending any of the MTA's Summer Conference workshops or classes, let us know! The MTA website can direct you on how to register. We have materials that can assist you, too. It is in August and is being held at UMass Amherst.

All letters of reasonable assurance (of employment) have been delivered. Any questions about your letter can be made to your building reps.

Unfortunately, we will be losing some members due to the reduction in force. Others have lost some hours and will be part-time rather than full-time. This is always difficult for everyone involved. Please direct questions you may have regarding unemployment to your building rep.

A reminder to all members about your evaluations: Contractually every DYRSAA member should have an evaluation, and an evaluation meeting, by June 15th.

And last but not least ~

We wish our retiree's the best! Your retirement is deserved and we will keep you all in our hearts and minds.

Have a wonderful summer!

~Judy Provencher

If anyone is interested in getting more involved with our Union we have two buildings that are in need of a building rep. next year:

Wixon Innovation School
E.H. Baker Innovation School

Please see the current rep. before the end of the year to voice your interest.

These positions are vital for many reasons. The commitment is not too taxing but does involve every other month meetings with the Eboard. You will also be responsible for electronically forwarding the monthly newsletter as well as the occasional distribution of other news either via email or hard copy in mailboxes.

Please consider this and understand that your help is important and appreciated.

**A note to all from  
Linda Fanning, EHBi:**

*I want to say thank you to all my EHBi family and all of the D-Y School District for all your prayers and support for my family and I through this tragic time in our lives. Thank you for being there.*

*Also, it was a difficult decision but I am retiring at the end of this school year. However, I will be back to visit! Thank you again for everything.*

*Love, Linda Fanning*

*Have a  
restful and  
happy  
summer  
everyone!*
