

Time sensitive material!

Why? Because if you register early you have a better chance of getting into the workshops you want and you can apply to the Dennis Yarmouth School District for entry fee reimbursement, BUT you have to submit your form to Central Office 30 days BEFORE the class. Visit the district home page to download the Assistant Course Reimbursement Form.

You can also apply for an MTA Grant for first time attendance. Visit the link below for more information. This is a local and great opportunity to get some professional development.

Designed for education support professionals, this conference offers a weekend of professional development, networking and fun. If you have not attended the ESP Conference in the past, get ready for a great experience. All ESPs are welcome.

When: Friday, April 7-Saturday, April 8

Where: Sea Crest Beach Hotel
350 Quaker Road
North Falmouth, Massachusetts
02556

Cost: \$70/\$60 if you register by Friday,
Feb. 24
